

## Welcome to our Practice

We would like to thank you for putting your trust in Georgia Eye Partners and our team. Our goal is to provide you with excellent vision care. This packet is to ensure your understanding of our practice and policies.

We are excited to meet you the day of your appointment. Your initial exam will normally last approximately 2 hours. More complex exams or testing will take longer, and we ask you to plan the day of your appointment accordingly. Dilation of your pupils usually wears off within 2-3 hours and may make driving more difficult. If you have never experienced the effects of dilation, we recommend arranging for someone to drive you home from your appointment.

An explanation of our financial policy is included in this packet. If you have any further questions, please feel free to contact our Patient Accounts Department at (404) 953-4000.

### HOW TO PREPARE FOR YOUR APPOINTMENT:

1. You will need to complete your registration online by visiting our website at [www.GaEyePartners.com](http://www.GaEyePartners.com) and clicking "Online Patient Registration". When you press 'submit', you will be given a confirmation number. Please make note of this number.
2. While on our website, we encourage you to explore the site where you will find directions to our offices, frequently asked questions and videos on procedures we provide.

### PLEASE BRING THE FOLLOWING WITH YOU TO YOUR APPOINTMENT:

1. Online registration confirmation number
2. Current insurance cards and photo I.D.
3. List of all current medications and pharmacy information
4. Referral – It is your responsibility to determine if one is required by your insurance and to have the referral with you at the time of your visit.
5. Your current glasses and/or contact lenses

Once again, thank you for entrusting your vision to Georgia Eye Partners.

## Patient Acknowledgement Regarding Financial Responsibility

In order for us to provide our patients with quality medical care, we must receive payment for our services. Ensuring that we are appropriately and promptly paid for the services rendered is our patient's responsibility. This document explains the patient's obligations and how to meet them. In exchange for services rendered, each patient or patient's guarantor agrees:

- To authorize payment of surgical and medical benefits to us, which would otherwise be payable to you. If covered by Medicare or Medicaid, I certify that the information provided by me in applying for payment and titles V, XVII, and or XIX of the Social Security Act is correct.
- To pay for all non-covered charges, co-pays, co-insurance, deductible, out-of-network charges, and refractions (the measurement of the eye in order to obtain a prescription for glasses or contacts) at the time of service or when otherwise advised. If this is not possible, you agree to contact our Billing Office at (404) 953-4000 BEFORE services are rendered. If we have to send you a statement for your copay or you fail to notify us of an appointment cancellation at least 24 hours in advance, you will incur a processing fee.
  - Refraction Fee: This fee is \$40.00.
  - Contact Lens Fitting Fee: This fee varies depending on the type of contact lens you request or the type of contact necessary to provide you the best possible vision. The fee is collected in addition to the fee for an eye examination.
- To provide us with a copy of your most recent insurance card or other proof of insurance and/or register with the receptionist at the time of EACH visit. If you do not provide us with valid insurance information at the time of EACH visit, and your insurance company subsequently denies our claim, you are personally responsible for any and all charges.
- To obtain any authorization or referral required by your insurance plan and/or from your Primary Care Physician prior to each appointment. If you do not receive the required authorization, your insurance company may not pay us for our services. In this case, you are personally responsible for any and all charges. Additionally, we may need to reschedule your visit if you do not have your authorization or referral.
- To monitor your insurance company's payment of your account and if unpaid 30 days after the date of service, to contact them regarding their non-payment. You also agree to cooperate with us in resolving the unpaid status of your account.

As a courtesy to our self-pay patients seeking routine eye care, we will provide a reduced charge for payment made at the time of service. The entire balance must be paid in full to receive the discount. Once you accept the discount, we will not be responsible for filing claims to any insurance company nor will we accept payment on a discounted rate from the insurance company. In the event we receive a payment from an insurance company under this circumstance, we will refund the money to the insurance company.

As the patient or guarantor of a patient, I agree that in consideration of the services rendered by us, that I am individually obligated to pay for all services in accordance with the regular rates, terms and conditions of Georgia Eye Partners. In the event we must refer the patient's account to a collection agency or attorney for collection of an amount 90 days or older, the patient and/or guarantor agrees to pay our collection fee, including any accrued interest and all applicable bank fees incurred for a returned check.

I voluntarily consent to healthcare treatment from the physicians and staff at Georgia Eye Partners. I am aware that the practice of medicine is not an exact science and no guarantees have been made to me regarding the results of treatment or examinations by my provider. I consent to the use and disclosure of protected health information about me for treatment, payment and operations.

I have read this form and have had the opportunity to ask questions and my questions have been answered. By my signature, I represent that I have voluntarily read, understand and agree to be bound by the above provisions.
